

BWA

CHAIR

The seatback reminding the shape of the wood masks of the BWA tribe in Burkina Faso is the main decorative element of this original chair. The polished brass details recalling the African jewellery, the use of different kinds of woods and the red fabric connecting to the institutional colour of the brand are all emblematic elements which contribute to create a special and authentic piece of furniture.

Structure in matte dark wengé dyed wood with details in polished brass. Upholstery in fabric cat. B Greyton col. 4 Red. Piping in nubuck leather cat. A Nuuk col. 4 Marsala. Rear back in smoked eucalyptus frisee wood inlay with polished brass details.

Other finishings and upholsteries available upon request from Etro Home Interiors collection.
