

JANIS

CABINET

The rich Deosai pattern of the doors, the precious monkey applied to the doors, the bamboo canes legs and the luminous structure in polished brass create a unique mix of colors, shapes and materials, making Janis cabinet the perfect furniture element for an oriental-inspired corner.

Structure and frames in polished brass. Sides and inner in Cherry Red lacquered wood. Doors in printed glass with "Deosai" motif and frames in polished brass. Decorative elements in polished brass.

Other finishings available upon request from Etro Home Interiors collection.
